[intro F#m7 D2 Bm7— x2 ]

1.

**F#m7**                    **D2**            **Bm7**            **Esus**  
Life can be so maddening, nothing is as it may seem  
**F#m7**                    **D2**                    **Bm7**            **Esus**  
You try to take a forward step and end up falling on your head  
**F#m7**                    **D2**            **Bm7**            **Esus**  
But one whisper from above in a sunset or a hug  
**F#m7**                    **D2**                    **Bm7**            **Esus**  
Says, "I'm here, I've always been here, always will be here for you"—

**D**    **A**                    **Esus2**    **E**  
Ch: But I trust in Your unfailing love, unfailing love  
**D**    **A/C#**                **E**  
Unfailing love for me,            for me, Lord!  
**D**    **A**                    **Esus2**                **E**  
I will sing to You for You have been good, You have been good  
**D**    **A/C#**                **E**                    **[end D A E x2 ]**  
You have been good to me,            to me!            (last time: repeat)

**F#m7**                    **D2**    **Bm7**            **Esus**  
2. You do not apologize for the trials in our lives  
**F#m7**                    **D2**                    **Bm7**            **Esus**  
For as hard as they may be, they tend to draw us to our knees  
**F#m7**                    **D2**                    **Bm7**            **Esus**  
Closer to You, closer to You, that's where Your Spirit is movin' us  
**F#m7**                    **D2**                    **Bm7**            **Esus**  
Growing up in us, working through faith, that Your love might shine through us—

Selah [ (words can be sung, spoken, or not used at all)  
**Fadd2 Gadd2 Aadd2 Fadd2 Gadd2 Aadd2**
