

Worship – Who Are We Serving?

Opener Questions:

Why do we get nervous?

- when we're in front on Sunday morning
- before we participate in an athletic event

Why do we sometimes not feel the freedom to worship God with others around?

Read and summarize these two verses:

Eph. 6:7-8

Col. 3:17,23-34

Either we're serving men (our self or others) or we're serving God – in worship, and in every aspect of our life. Characterize each of these scenarios, i.e. what are the results and what does it look like when we serve:

1. Our self

2. Others

3. God

~ A good reminder about serving God comes from Jesus: "My yoke is easy, and my burden is light." ~
